The background of the slide features a photograph of emergency responders at a scene. On the left, several firefighters in full gear are visible. In the center, a white ambulance is parked. To the right, a yellow hazardous materials response vehicle is partially visible, with text that includes "CONTRA COSTA COUNTY", "HAZARDOUS MATTER", and "RESPONSE". The scene is set outdoors with trees and a cloudy sky in the background. A large, dark gray diagonal shape cuts across the right side of the image, serving as a backdrop for the text.
